52nd Annual State Conference - QPMMPA

ABOUT QPCON

As healthcare continues to evolve, it is increasingly important for private hospital owners and healthcare leaders to stay informed about emerging trends, innovations, regulations and best practices. QPCON 2026, the 52 State Annual Conference of QPMPA, provides a valuable platform for healthcare leaders to connect, learn and explore the future of healthcare.

The conference brings together hospital owners, administrators, healthcare professionals and industry experts to exchange ideas, share experiences and discuss practical solutions to the challenges facing the healthcare sector.

Networking & Collaboration

QPCON provides an opportunity to connect with fellow healthcare leaders, build professional relationships, exchange ideas and explore new partnerships and collaborations.

Knowledge & Innovation

Participants can gain insights into the latest developments in healthcare technology, hospital management, infrastructure, governance, regulations and innovative models of care.

Leadership & Growth

The conference encourages healthcare leaders to explore new strategies for improving operational efficiency, patient experience and the overall quality of healthcare delivery.

Building the Future of Healthcare

QPCON 2026 aims to create a platform for meaningful discussions, knowledge sharing and collaboration, contributing to the continued growth and advancement of the private healthcare sector.
